What is ReCIcEcle?

ICE has come up with a new project called "reCIcEcle" to enable its customers to recycle their old Ice-Watch watches. To this end, ICE has teamed up with the French company Ecotempo, which collects and recycles used watches. Ecotempo responds to urgent and regulatory environmental requirements and is committed to the Social and Solidarity Economy by giving social recognition to disabled or socially excluded people, while reducing the watch and jewellery market's impact on the planet.

Did you know that 80% of the weight of your watch can be recycled? [#gogreen](#)

How do I recycle my watch?

Go to our page: [recICEcle](#) and follow the different steps.

- Fill in the simple form.
- Send us your old watch by post: either to our Belgian distribution centre (ICE sa - RECICECLE, 44 rue de la Drève, 6600 Bastogne, Belgium) or to our Paris offices (52 rue de la Verrerie, 75004 PARIS, France).
- Receive a reward (you get to choose between the following two advantages*)
 - Either a voucher to receive 30% off your next purchase, to be used within 12 months on our website www.ice-watch.com, plus free delivery.
